

Project Number: 08N05-01

Project Start Date: 1/07/2009

Project Completion Date: 31/12/2009

Project Description

This project will pilot the extension of EMS across two of the NARs leading farmer owned grower groups. Project leader MIG, will expand and develop their Healthy Farms program and upskill a project officer based at the Liebe Group to roll out EMS amongst their own members. A centralised, auditable system will be developed between the two groups in conjunction with project partners e.g. CBH Group. This will be the template to expand EMS throughout the NAR
