

Project Number: 051NRM0 - 18

Project Start Date: 2/1/2007

Project Completion Date: 30/06/2009

Project Description

The role of this position is to coordinate, and provide leadership for NACC on the asset theme areas of sustainable land use. The key activities include identifying priorities for investment to meet targets identified in the strategy for sustainable land management. This will be done by leading technical based working groups and establishing working relationships and networks with relevant NRM stakeholders.

Once these activities are identified integrated project plans will be developed for delivery in investment plans.

Delivery Organisation: Department of Agriculture and Food

Total IP2 Funding: \$271,964
