

Audit of Priority Heritage Sites in the Yamatji Region

Project Number: 05N120-04

Project Start Date: 1/10/2006

Project Completion Date: 30/06/2009

Project Description

In partnership with NACC and the Department of Indigenous Affairs, the focus of this project is to undertake natural resource condition assessment and cultural heritage surveys of 60 priority registered Aboriginal Sites of Significance in the Yamatji country of the Northern Agricultural Region. The site audit will prioritise sites according to biodiversity and cultural heritage value; determine resource condition; preserve cultural heritage information; and contribute to the management of priority sites. The site audits provide an effective and culturally appropriate tool for consultation with the Traditional Owners of Yamatji country for NRM. The outcomes delivering against numerous Management Action Target's (MAT's) in the draft NACC NRM Strategy.
