

Project Number: 051NRMO - 12

Project Start Date: 1/1/2007

Project Completion Date: 30/06/2009

Project Description

1. Increasing the skill and knowledge level of individuals and communities to make informed decisions to better manage natural resources (planned and proactive education and extension activities and resources that target specific knowledge/skills gaps). **MEDIUM PRIORITY**
2. Providing a first point of contact for local landholders and groups for communication on natural resource management – particularly servicing requests for information, technical expertise and advice. **HIGH PRIORITY**
3. Facilitating the provision of specialist technical advice and extension services to individuals and groups. In particular, Local NRMOs should seek assistance from NACC staff for suggestions on where to obtain appropriate advice. **MEDIUM PRIORITY**
4. Establishing and maintaining working relationships and network - specifically targeting land managers and technical experts. **MEDIUM PRIORITY**
5. Delivering NACC incentives and incentive processes, as directed by NACC. **HIGH PRIORITY**
6. Assisting with regional monitoring and evaluation processes, including social benchmarking and monitoring. Local NRMOs will routinely record and collate social data and, as directed by NACC, will undertake those tasks identified as meeting NACC's objectives with regard to the integration of the human dimensions into NRM delivery. **MEDIUM PRIORITY**
7. Assisting NACC as directed.
