

Project Number: 08N-05

Project Start Date: 1/07/2008

Project Completion Date: 31/12/2009

Project Description

This program aims to ensure agricultural soils and resources are improved and managed in a healthy, productive and sustainable way through the broader application of Environmental Management Systems (EMS) to continue to develop and adopt ecosystem services within production systems and the establishment of woody perennials. This program also enables the continuation of NACC's Targeted Investment Program through to the end of 2009.

Delivery Organisation: NACC and partners

Total Funding: \$1,208,000
