

Community Action Grants 2015-16 – list of approved projects by NRM Region

Total number of projects: **142**

Total amount of funding allocated for these projects: **\$3,999,703**

NORTHERN AGRICULTURAL REGION (12 projects)

Proponent	Title	Grant
City of Greater Geraldton	Caring for Bimarras Pools, Greenough River - Stage 1	\$21,500
City of Greater Geraldton	Greenough River Estuary Nature Walk Trail - Stage 1	\$44,500
City of Greater Geraldton	Chapman River Regional Park CARE Project - Stage 3	\$53,000
City of Greater Geraldton	Implementation of the Chapman River Estuary Management Plan	\$22,500
Conservation Council of Western Australia	Benchmarking the accumulation of microplastics off south-western Australia	\$32,458
Mingenew Irwin Group	A collaborative approach to successful pest management in the Northern Agricultural Region	\$25,980
Moore Catchment Council	Conserving and enhancing the Moore's natural biodiversity assets	\$34,500
Moore Catchment Council	Enhancing Mogumber Town Reserve as a local natural asset	\$34,815
Moore Catchment Council	Planting food for endangered Carnaby's Black-Cockatoo in the Gillingarra important bird area	\$52,000
Shire of Chapman Valley	Protecting biodiversity along Chapman Valley's coastal zone	\$40,000
Yarra Yarra Catchment Management Group Incorporated	Creating corridors and protecting fence line flora - Stage 1	\$55,000
Yarra Yarra Catchment Management Group Incorporated	Protecting and Restoring Boojerabba Flats	\$51,300

AVON (WHEATBELT) (7 projects)

Proponent	Title	Grant
Applecross Senior High School	City Kids to the Country	\$35,000
Chittering Valley Land Conservation District Committee	Feral pig management in the Chittering Valley	\$52,000
Landcare SJ	Eradication of prohibited organism water hyacinth in the Serpentine River	\$16,812
Shire of Kent	Revegetating biodiversity corridors and mitigating bushland livestock and Bridal Creeper	\$50,000
Shire of Kondinin	Restoration and rehabilitation of the Breakaways	\$24,310
Shire of Koorda	Connecting, protecting and expanding native vegetation in Koorda, Wyalkatchem, Mukinbudin	\$55,000
WWF-Australia	Caroline Gap Reserve Resource Management Strategy – protecting the granite outcrops	\$42,500

PEEL-HARVEY CATCHMENT (9 projects)

Proponent	Title	Grant
Fairbridge Western Australia Inc.	Fairbridge Central Bushland Protection - Stage 1	\$23,000
Friends of Lake McLarty	A lifeline to help save Lake McLarty	\$18,000
Friends of the Reserves Boddington (Inc.)	Regeneration of Camballing Reserve	\$17,185
Harvey River Restoration Taskforce Incorporated	Improving the ecological linkage value of the Harvey River system	\$36,956
Lake Clifton-Herron Landcare Group	3R's for Lake Clifton - Restore, Re-habilitate, Re-vegetate	\$38,379
Landcare SJ	Encouraging Sustainable Land Management through education in the Peel Region	\$31,000
Quindanning Community Hall Incorporated	Post fire revegetation at the Quindanning Hall	\$15,000
Seascapes Coastcare Group	Educating local community in coastal ecosystems and Indigenous plant use	\$22,200
Wandering / Hotham Declared Species Group	Feral pig eradication along the Bannister River	\$45,000

SWAN REGION (41 projects)

Proponent	Title	Grant
Armadale Gosnells Landcare Group	Project Palomino -restoring the Wungong River	\$26,500
Australian Wildlife Conservancy	Restoring ecological health to Paruna Wildlife Sanctuary	\$15,000
Bannister Creek Catchment Group	Bannister Creek Urban Waterways Renewal: maintenance project	\$18,000
BirdLife Western Australia	Operation Rainbow Roost: identifying Rainbow Lorikeet roosts in Perth	\$21,000
Bungendore Park Management Committee	Dieback and weed management for Bungendore Park and adjacent land	\$18,914
Bungendore Park Management Committee	Invertebrate survey of Bungendore Park	\$7,900
Bungendore Park Management Committee	Walk trail signage upgrade	\$11,400
Canning River Regional Park Volunteers	Billabong paddock restoration	\$9,000
Chittering Landcare Group	Brockman Catchment - Restoring the riparian zones	\$9,000
Chittering Landcare Group	Investigating and improving the health of Chittering Lakes	\$30,880
Chittering Valley Land Conservation District Committee	Creating a biodiversity link in Chittering Springs	\$6,000
City of Armadale	Control of threatening processes and habitat supplementation in priority reserves	\$32,500
City of Cockburn	Restoration of wetland habitat at Bibra Lake	\$10,000
City of Fremantle	Hollis Link landscape connectivity restoration	\$6,000
City of Joondalup	Pathogen Management and Hygiene Awareness Program	\$14,850
City of Kwinana	Fauna survey and feral animal control for priority Kwinana Reserves	\$30,000

Proponent	Title	Grant
City of Melville	Black Flag control at Blackwall Reach Reserve	\$12,995
Eastern Metropolitan Regional Council	Steaming to Success	\$10,000
Friends of John Forrest National Park	Control of geophyte, woody and herbaceous weeds in John Forrest National Park	\$18,500
Friends of Lake Claremont Limited	Revegetation of wetland buffer on the eastern side of Lake Claremont	\$25,000
Friends of Mary Carroll Wetlands	Revegetation of riparian habitat at Mary Carroll Lake	\$15,500
Friends of North Ocean Reef - Iluka Foreshore	Cape Tulip control and eradication in Bush Forever Site 325	\$11,860
Friends of Paganoni Swamp	Weed control and restoration of Upper Swamp, Paganoni Swamp Reserve	\$17,480
Friends of Talbot Road Reserve Inc.	Protection of high biodiversity values at Talbot Road Nature Reserve	\$14,118
Friends of Upper Lesmurdie Falls Inc.	Upper Lesmurdie Falls Restoration Project	\$40,000
Friends of Wireless Hill	Restoration through weed control at Wireless Hill Reserve	\$19,720
Friends of Yellagonga Regional Park (Inc.)	Continuing rehabilitation of wetland fringing vegetation at Lake Goollelal	\$12,100
Mullaloo Beach Community Group Inc.	2016 Mullaloo Little Desert Regeneration	\$22,220
Murdoch Environmental Restoration Group	Habitat restoration and protection for endangered Black Cockatoos	\$50,000
Nature & Wildlife Group at Glen Forrest Primary School	Woodland Restoration Project: protect, connect and play	\$20,556
Sawyers Valley Primary School	The Bulla Bidli project, Sawyers Valley	\$22,500
South East Regional Centre for Urban Landcare (SERCUL)	Restoration of Bull Creek Reserve	\$25,000
SERCUL	Beckenham Open Space Wetland Linkages Restoration	\$25,000
SERCUL	Degraded saltmarsh rehabilitation in Canning River Regional Park tidal flats	\$14,600
SERCUL	Protection and enhancement of the biodiversity of Booragoon Lake Reserve	\$26,250
SERCUL	Blue Gum Lake habitat and biodiversity enhancement	\$18,000
SERCUL	Restoration of the Yule Brook foreshore	\$20,000
SERCUL	Canning River foreshore restoration	\$32,000
South West Corridor Development Foundation Inc.	Improving NRM outcomes through increased community awareness and engagement	\$12,000
Swan Estuary Reserves Action Group Inc.	Weed management in Bush Forever Site 331	\$22,000
Wilson Wetlands Action Group Inc.	Castledare Native Flora and Habitat Restoration Project - Stage 2	\$30,000

RANGELANDS (21 projects)

Proponent	Title	Grant
Australian Wildlife Conservancy	Feral herbivore exclusion from the Synnot Valley, Kimberley	\$55,000
Australian Wildlife Conservancy	Securing the survival of the Stick-nest Rat in Western Australia	\$53,100
Cape Conservation Group Inc.	Exmouth feral cat and fox community education and control program	\$5,000
Care For Hedland Environmental Association	Coastal erosion and renourishment of dune systems safeguarding Turtle Rookery	\$15,000
Carnarvon Heritage Group Inc.	Marine species protection at the Carnarvon One Mile Jetty	\$19,450
Carnarvon Land Conservation District Committee	Extending weeds of national significance control in the Lower Gascoyne Catchment	\$30,000
Central Desert Native Title Services	Kiwirrkurra Cat Control Strike-Force trial	\$50,180
Environs Kimberley	Sharing knowledge to tackle Kimberley weed priorities - Neem and <i>Azadirachata indica</i>	\$38,000
Environs Kimberley	The Kimberley Bilby Project	\$55,000
Jarlmadangah Burru Aboriginal Corporation	Revegetation of Fitzroy River floodplain of Mt Anderson - Stage 1	\$36,300
Karajarri Traditional Lands Association	Karajarri Indigenous Protected Area: Frasier Downs Station Coastal Protection Zone	\$32,000
Kimberley Land Council- Gooniyandi Rangers	Gooniyandi Culturally & Environmentally Significant Waterways Monitoring and Management Program	\$9,517
Nyamba Buru Yawuru	Partnerships to protect and restore Roebuck Plains' significant wetlands	\$44,820
Ord Land and Water	Rubber Vine control and eradication in the East Kimberley	\$55,000
Rangelands Fibre and Produce Association (Inc.)	Innovative control of a significant infestation of strategically important weeds of national significance	\$30,000
Reef Life Survey Foundation	Volunteer scientific monitoring of Western Australian marine biodiversity	\$15,600
Upper Gascoyne Land Conservation District Committee	Conserving and building rangeland biodiversity through targeted landscape interventions	\$17,000
West Kimberley Rubber Vine Steering Committee	Aquila 2nd Generation - Using artificial intelligence to detecting rubber vine	\$38,375
West Kimberley Rubber Vine Steering Committee	Rubber Vine eradication along the Fitzroy River through Ground Control	\$55,000
West Kimberley Rubber Vine Steering Committee	Rubber Vine eradication along the Fitzroy River through Aerial Control	\$55,000
Yindjibarndi Aboriginal Corporation	Environmental and cultural assets protection by indigenous rangers	\$37,000

SOUTH COAST (28 projects)

Proponent	Title	Grant
BirdLife Australia	Realizing the potential of successful starling surveillance and control	\$19,000
BirdLife Western Australia	Increasing the breeding capacity for threatened Carnaby's Black-Cockatoo	\$40,000
Bushcarers Group Inc.	Bushcarers Priority Weed Control Initiative for Albany 2015-2016	\$52,000
Bush Heritage Australia	Field Day: 10 Years of Restoration in Gondwana Link	\$7,200
Denmark Weed Action Group Inc.	Protection of biodiversity in Denmark, WA	\$50,000
Esperance Weeds Action Group	Esperance Coastal Corridor Weed Project	\$37,000
Fitzgerald Biosphere Group Inc.	Protecting and restoring native vegetation within Bremer River Catchment	\$52,400
Friends of the Fitzgerald River National Park	Twertup Field Studies Centre: utilities, cooking area & nature walks	\$30,000
Friends of the Porongurup Range Assoc., Inc.	Identifying and describing Gondwanan Relictual Moist Refugia Indicator Species	\$7,663
Friends of the Porongurup Range Assoc., Inc.	Twin Creeks Front Paddock Revegetation Project-Stage 4	\$10,300
Friends of the Porongurup Range Assoc., Inc.	Visitor Information Signs	\$7,300
Gillamii Centre Inc.	Improve connectivity and conservation value of roadsides and creek lines	\$25,000
Green Skills Inc.	<i>Senecio glastifolius</i> : eradication in the Albany Region	\$34,000
Green Skills Inc.	Wetland and biodiversity restoration -forest to Stirlings Gondwana Link - 2016	\$40,000
Lower Kalgan Progress Association	Controlling Sydney Golden Wattle by engaging and empowering community members	\$22,618
North Stirlings Pallinup Natural Resources Incorporated	Emerging weeds and their management in the North Stirlings Pallinup	\$10,000
North Stirlings Pallinup Natural Resources Incorporated	Restoring our Region's Natural Assets - revegetation on the Pallinup River	\$48,000
Oyster Harbour Catchment Group Inc.	Community Control Weeds along King River and adjacent 'wattle island'	\$20,500
Oyster Harbour Catchment Group Inc.	Controlling Bridal Creeper in the Ranges Link and surrounds	\$34,000
Oyster Harbour Catchment Group Inc.	Controlling weedy Acacia and Watsonia to protect native vegetation	\$44,100
Oyster Harbour Catchment Group Inc.	Vegetation surveys and weed control in the Ranges Link	\$20,710
Oyster Harbour Catchment Group Inc.	Western Ringtail Possums: Filling the Gaps	\$35,000
Oyster Harbour Catchment Group Inc.	Western Ringtail Possums in Albany: core habitat, abundance, and distribution	\$45,000
Ravensthorpe Agricultural Initiative Network (RAIN)	Protecting riparian vegetation and corridor linkages - Lower Jerdacuttup Catchment	\$50,000
Shire of Esperance	Lake Monjingup restoration of eco education facilities and materials	\$20,000
Tangaroa Blue Foundation Ltd	2016 West Australian Beach Clean Up	\$20,886

Wellstead Community Resource Centre	Strategic weed control of Sydney Golden Wattle in Wellstead	\$30,000
Wilson Inlet Catchment Committee	Lower Hay Sleeman River Sydney Golden Wattle Project: Stage 2	\$11,300

SOUTH WEST (24 projects)

Proponent	Title	Grant
Blackwood Basin Group	Bringing Back the Boyup Brook	\$47,000
Bridgetown Greenbushes Biosecurity Group (BGBG) Inc.	Strategic biosecurity intervention for the Containment of cleavers (<i>Gallium aparine</i>)	\$14,370
Cape to Cape Catchments Group	Addressing priority weeds in the Capes region	\$46,500
Cape to Cape Catchments Group	On ground action protecting the aquatic biodiversity of the Margaret River	\$32,835
Dumbleyung Landcare Zone	Lake Coomelberrup Catchment Conservation and Preservation Project	\$23,139
Dumbleyung Landcare Zone	Revegetation, water management and remnant bush protection across Cridland Catchment	\$27,416
Friends of the Cape to Cape Track Inc.	Boardwalk across ecologically sensitive track alignment	\$35,000
Geographe Catchment Council	Building habitat and communities for the Western Ringtail Possum	\$11,200
Geographe Catchment Council	Busselton Urban Wetland Recovery Project	\$15,682
Geographe Catchment Council	Protection and enhancement of biodiversity in Yoongarillup and Ambergate Reserve	\$39,207
Greenbushes Eco Cultural Discovery Centre	Greenbushes Discovery Centre Mining Heritage Walk Weed Project	\$7,250
Katanning Land Conservation District Committee	Bigger than Bridal Creeper	\$50,650
Katanning Land Conservation District Committee	Bringing Back the Understorey	\$7,170
Katanning Land Conservation District Committee	In Them There Hills	\$30,000
Katanning Land Conservation District Committee	More Trees for Way Out West (WOW!)	\$40,750
Katanning Land Conservation District Committee	Trees of the Rising Sun	\$30,000
Lake Muir Denbarker Community Feral Pig Eradication Group	Feral pig control - Lake Muir, Denbarker and Northcliffe	\$40,000
Lower Blackwood Land Conservation District Committee	Plantation to Pasture – understanding and preventing nutrient loss	\$15,000
Lower Blackwood Vertebrate Pest Group	Vertebrate pest control	\$55,000
National Trust of WA (with Parkwater Community Group)	Parkwater Creek line revegetation	\$8,558
Stewards of Katherine Chauhan Reserve	Katherine Chauhan Reserve Interpretive Trail Project	\$5,640
Wagin Woodanilling Landcare Zone	Better habitats by battling bridal creeper in Wagin	\$11,600
Warren Catchments Council	Donnelly Vertebrate Pest Management Group 2016/17 Operation	\$55,000
Woolkabunning Kiaka Incorporated	Woolkabunning Kiaka biodiversity management for 1ha at Roelands Village Project	\$8,435
