

Muchea tree nursery & Chittering Landcare tour

Join Moore Catchment Council for an interesting day around Muchea.
We'll be visiting:

- ◇ Muchea Tree Nursery - this well-known nursery specialties in native farm trees, proteas, shrubs, ground covers - thousands of different plants. Find out about which natives will grow in your patch and which natives are good habitat for the Carnaby cockies. Maybe purchase a few plants too from the nursery shop!

- ◇ Chittering Landcare Centre - this community landcare group will host our lunch at their fabulous complex. They will talk about what they do and show us some of their projects.

When: Friday 21st April 2017

Time: 10:45am until 2:30pm. Lunch provided

Where: Meet at Muchea Tree Nursery, Lot 214 Archibald Street
