APPLICATIONS CLOSE: FRIDAY 10 AUGUST 2018, 5PM WST

Application Tips: (The following is suggested to assist you in writing your statement addressing the application.)

- For each of the essential and desirable criterion, draw on your previous experience to write a brief statement that describes a situation in which you successfully utilised the skill or attribute to achieve a successful outcome.
- The examples can be from your previous work experience, studies or general life experience and should contain a description of the situation, an outline of the action you took, how the skill or attributes assisted you and the end result of the action. In some instances one statement may address more than one criterion, although this needs to be indicated.
- It is intended that the final statement addressing all criteria should be about 2 – 4 pages in length or approximately half a page to a page per criterion, although the content is far more important than the volume.
