POSITION OVERVIEW

Position Title	Programs and Operations Manager - readvertised
Position Location	Geraldton
Employment Status	1 FTE
Contract Agreement	As per the conditions of the NACC Enterprise Agreement (2013)
Classification and Salary	NACC Enterprise Agreement P5 – M4 (\$83,930 - \$104,623) commensurate with skills and experience.
Contract Term	January 2020 – 30 June 2023
Reports to	CEO
Positions under Direct Supervision	Sustainable Agricultural Program Coordinator, Bushcare Officer, Coastcare Officer.

KEY RESPONSIBILITIES

As part of the Executive Team, the Programs and Operations Manager contributes to all outcomes of the NACC NRM 2019-2023 Strategic Plan through absolute commitment to NACC NRM's values. The Executive Team works together to allocate responsibilities and authority in line with the NACC NRM thematic strategic plans, corporate initiatives, opportunities, and demands.

In general, the Programs and Operations Manager has overarching responsibility for the management and delivery of NACC NRM's delivery contracts, development of programs to achieve NRM outcomes, monitoring, evaluation, reporting and staff supervision.

NACC NRM adopts a collaborative project delivery approach through regional partnerships. This position is responsible for building and maintaining meaningful and productive project-delivery partnerships and co-management arrangements within the Northern Agricultural Region community and beyond. NACC NRM is also an active facilitator, seeking to better integrate programs across partner organisations, to deliver more effective outcomes for the Northern Agricultural Region.

The Programs and Operations Manager will play an important role in facilitating better program linkages consistent with achieving the objectives of the Regional NRM Plan (NARvis).

The Programs and Operations Manager will provide high level management and support to the organisation's Sustainable Agriculture Team and will lead the Biodiversity and Coastal Program Teams and support effective planning, delivery and monitoring of projects focussed on improving terrestrial and coastal biodiversity and delivery of natural resource management support for landholders across the region.

KEY DUTIES

Key Result Areas	Key Duties
<p>Program/Project Facilitation & Leadership</p> <p>Lead, manage and coordinate the delivery of strategic outcomes</p>	<ul style="list-style-type: none"> • Overseeing the effective and efficient delivery of key NRM projects and investment programs including planning and development, high-level leadership and management, monitoring, performance reporting and evaluation of impact across all NACC NRM programs. • Lead and manage the Biodiversity and Coastal Program Teams and instil by example absolute commitment to NACC NRM's values and positive culture that leads to NACC NRM delivering our Purpose, Way and Impact. • Provide high level project management including overseeing large contracts, budgets and project plans.

	<ul style="list-style-type: none"> Ensuring that the wide range of technical expertise required for project delivery is sourced (either internally or externally) to ensure high quality delivery and investment outcomes, including negotiating science partnerships to enhance project delivery. As a member of the Executive Team, identify and develop opportunities for collaborative projects and funding opportunities to more effectively implement the Regional NRM Plan.
<p>Business Planning and Development</p> <p>Lead, manage and coordinate Business development opportunities including new funding opportunities and commercial arrangements</p>	<ul style="list-style-type: none"> Working across the technical team and in collaboration with the CEO, develop and negotiate investment proposals, deliverables, milestones and schedules for government and other NRM funding programs. As a member of the Executive Team, identify and develop opportunities for collaborative projects and funding opportunities to more effectively implement the Regional NRM Plan. Support NACC NRM staff to find innovative, creative and pragmatic solutions to existing and emerging issues, barriers and challenges relating to natural resource management. Independently apply problem solving approaches to issues/situations, ensuring an adequate analysis of necessary and available information, and the appropriate involvement of NACC NRM staff, partners and others.

APPLICATION REQUIREMENTS

- Visit the NACC NRM website jobs section, and download the JDF and application information.
- Complete a Cover Letter expressing your interest and suitability for the advertised position.
- Complete a written response clearly addressing and highlighting all the areas outlined under the Selection Criteria. This includes the essential and desirable qualifications, skills and experience*
- Submit your (i) Cover Letter, (ii) Resume/Curriculum Vitae which summaries your experience, and (iii) Statements addressing the Selection Criteria.

** Applications that do not include a completed Cover Letter, or that do not address the Selection Criteria will not be accepted.*

For further information or to submit your application, please contact NACC CEO Katherine Allen on 08 9938 0100 or Katherine.Allen@nacc.com.au – ensuring you place the title of the position in the “Subject” line of your email. Incomplete or late applications cannot be accepted.

APPLICATIONS CLOSE: Friday, 24 January 2020 10am WST.

Note: applications received during first round of advertising (December 2019) will be considered along with all new applications received by the above closing date. Applications are not required to be resubmitted.

Application Tips: (The following is suggested to assist you in writing your statement addressing the application.)

- For each of the criterion, draw on your previous experience to write a brief statement that describes a situation in which you successfully utilised the skill or attribute to achieve a successful outcome.
- The examples can be from your previous work experience, studies or general life experience and should contain a description of the situation, an outline of the action you took, how the skill or attributes assisted you and the end result of the action. In some instances one statement may address more than one criterion, although this needs to be indicated.
- It is intended that the final statement addressing all criteria should be about 2 – 4 pages in length or approximately half a page to a page per criterion, although the content is far more important than the volume.
