

REGIONAL NRM STRATEGY COMMUNITY CONSULTATION

An exciting opportunity to contribute to updating the Natural Resource Management Strategy for the Northern Agricultural Region.

NARvis is the current Natural Resource Management Strategy for our region (www.narvis.com.au).

The NARvis website was produced in 2015 after consultation with organisations such as yours.

These community consultation workshops are an opportunity for you to have your say and identify regional NRM priorities.

Geraldton

3 September 2020
9 am - 3 pm

Geraldton Multipurpose Centre
Function Room, 250 Marine Terrace

Please RSVP (required) by 26 August 2020 indicating which event you will attend and any dietary requirements. If you have any questions, please contact Amanda Bourne (E) Amanda.Bourne@NACC.com.au (P) 08 9938 0100

This project is supported by NACC NRM through funding from the Australian Government.

In this round of workshops, we will focus on defining the role of the regional NRM plan, reviewing NRM values, priorities and tools, and reflecting on what works well for NRM and what needs to be improved.

9:00 - 9:05 Welcome

9:05 - 9:20 Introductions & Expectations

9:20 - 9:40 Natural Resource Management in the Northern
Agricultural Region

9:40 - 10:10 Reflections on NRM in the NAR
