

**SCHEDULE A
DUTY STATEMENT
Sustainable Agriculture Project Officer**

Position Overview

Position Title	Sustainable Agriculture Project Officer
Position Location	Geraldton
Employment Status	0.8 - 1.0 FTE (Negotiable)
Contract Agreement	As per the conditions of the NACC Enterprise Agreement (2020)
Classification and Salary	Level 2.1 \$63,885 - level 3.3: \$78,169 + Superannuation (pro rata of FTE), based on skills and Experience.
Contract Term	30 June 2023 (extension subject to funding availability)
Reports to	Sustainable Agriculture Program Coordinator
Positions under Direct Supervision	Nil

Key Responsibilities

The Agriculture Project Officer will support other the delivery of agricultural activities and/or projects throughout the NAR; and assist in developing and supporting local partnerships.

Under the supervision of the Sustainable Agriculture Program Coordinator, this role will work with the NACC NRM Sustainable Agriculture team to increase Landcare activity in the region by increasing community skills, knowledge and engagement, and their ability to investigate, understand, accept and adopt changes in sustainable agriculture.

Based in Geraldton or Perenjori (other significant centres in the NAR considered), the Agriculture Project Officer will work closely with landholders and the community, and with local government, State agencies, industry and other natural resource management (NRM) professionals, to ensure project outcomes are achieved in a timely manner and within budget. The Agriculture Project Officer will be expected to travel widely across the region to fulfil the duties of the role.

Specifically, the Project Officer is responsible for:

1. Planning and delivery of the Sustainable Agriculture Program Projects, key elements including: Plan Objectives; Key measurable activities to be implemented; Stakeholder engagement; Communications; and planning and reporting.
2. Assisting the NACC NRM Sustainable Agriculture Program Coordinator to achieve Sustainable Agriculture projects goals and outcomes, and to develop applications to acquire funds and/or partnerships to deliver Investment Plan activities.
3. Facilitating increased involvement of the agricultural community in the development and maintenance of strategic networks and liaise regularly with land managers; regional community leaders; and all key relevant groups including: local and regional Landcare groups; agricultural production /grower groups; community groups; local, state and federal government agencies; NRM networks; and other NRM organisations.
4. Ensuring that projects and activities are delivered in an accountable manner that align with program goals and NARvis.

Key Duties

<p>Project Related Responsibilities</p>	<p>The Agriculture Project Officer will play a pivotal role in ensuring the agricultural community of the NAR is fully engaged in NRM activities in the NAR. This will include:</p> <ul style="list-style-type: none"> • Under the supervision of the Sustainable Agriculture Program Coordinator the delivery of community activities such as workshops, farm demonstration trials, and peer learning activities. • Through fostering strong agricultural community relationships provide feedback on various issues and for events, such as reporting on the impact of natural disasters on farmers. • Provide a central contact point and support for farmers and community groups to participate in Landcare activities by ensuring these groups are aware of national, state, and local Landcare schemes/initiatives and Sustainable Agriculture project activities; and support their participation in NACC NRM Sustainable Agriculture project activities. • Undertake effective publicity and communication of Landcare and NRM information to groups and the wider community across the NAR through the most appropriate means for the target audience. • Undertake regular engagement with local farmers, Landcare, grower groups, etc. to identify needs and gaps, and to support them to better manage and protect natural resources. • Attend meetings, provide support, and broker information and services to local community groups. • Support local community groups with project development, and with accessing public and private funds to assist these smaller groups in accessing additional funding, resources and membership – in particular but not limited to Smart Farming grant opportunities, as and when they arise. • Ensure local community groups are connected as a sub-regional network, are aware of NACC NRM project activities, and support their participation to achieve the most efficient and effective outcomes for Sustainable Agriculture. • Support the development, delivery, monitoring and evaluation of NACC's Community Engagement Plan.
--	--

Other Duties	<ul style="list-style-type: none"> • Uphold NACC NRM's Purpose, Way, Impact, and organisational values, and contribute positively to NACC NRM's organisational culture of excellence. • Adhere to NACC NRM's Staff Code of Conduct, and all NACC NRM policies and procedures with particular attention given to Workplace Health and Safety. • Apply relevant safety procedures/guidelines and equal opportunity principles to performance of work. • Assist in the delivery and development of NACC's Reconciliation Action Plan. • Participate in work plan development and performance reviews as required. • Undertake other duties as may reasonably be expected, or as directed by the CEO.
---------------------	---

NOTE: This duty statement is not intended to be all-inclusive. Employee may perform other related duties as negotiated to meet the ongoing needs of the organisation.

SELECTION CRITERIA

Essential

- Tertiary qualification in a relevant field and/or demonstrated experience in a relevant role.
- Demonstrated experience in project management, experience delivering projects with a Sustainable Agriculture focus will be viewed favorably.
- Commitment to and passion for: supporting sustainable agriculture, natural resource management, and the Purpose of NACC NRM.

APPLICATION REQUIREMENTS

- Complete a Cover Letter expressing your interest and suitability for the advertised position.
- Complete a written response clearly addressing and highlighting all the areas outlined under the Selection Criteria. This includes the essential and desirable qualifications, skills and experience*
- Submit your (i) Cover Letter, (ii) Resume/Curriculum Vitae which summarises your experience, and (iii) Statements addressing the Selection Criteria.

* Applications that do not address the Selection Criteria cannot be accepted.

For further information or to submit your application, please contact NACC NRM Programs & Operations Manager Kane Watson on 08 9938 0100 or kane.watson@nacc.com.au ensuring you place the title of the position in the "Subject" line of your email. Incomplete or late applications cannot be accepted.

APPLICATIONS CLOSE: Currently open until 5th of June 2022. Applications will be assessed for interview upon receipt .

Application Tips: (The following is suggested to assist you in writing your statement addressing the application.)

- For each of the criterion, draw on your previous experience to write a brief statement that describes a situation in which you successfully utilised the skill or attribute to achieve a successful outcome.
- The examples can be from your previous work experience, studies or general life experience and should contain a description of the situation, an outline of the action you took, how the skill or attributes assisted you and the end result of the action. One statement may address more than one criterion, though this must be clearly indicated.
- It is intended that the final statement addressing all criteria should be approximately 2 pages in length or approximately half a page per criterion, the content is more important than the volume.
